

AUA

American University of Armenia

Facility and Construction Presentation from VP of Operations - Ashot Ghazaryan

Human Resources - Will update on contract processing, using MyAUA (Intranet) and everything related to employee benefits and policies at AUA.

ICTS - Will update on the new student information system (Jenzabar) and Moodle.

Communications - Will update on AUA Newsroom, website, Insider, and everything related to the University's communications and marketing.

Najarian Building Opened June, 2023.

This new building is fully equipped with state-of-the-art classrooms providing our students and faculty with an innovative space to carry out their classes.

Najarian Building Interior and How to Get There

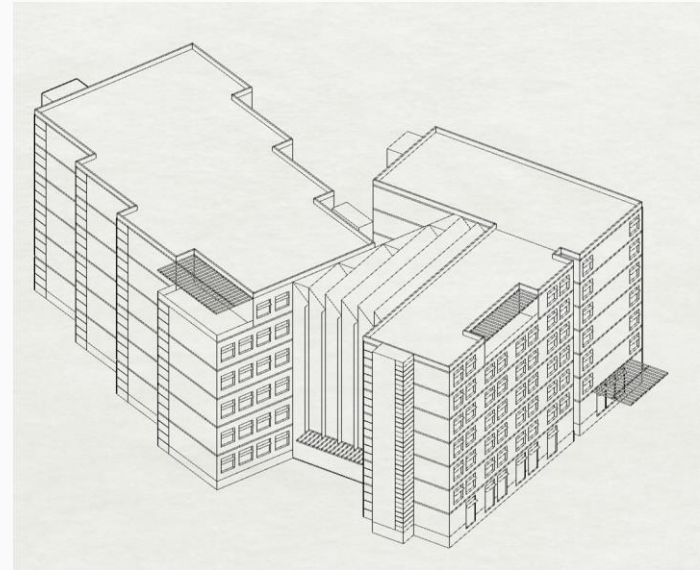

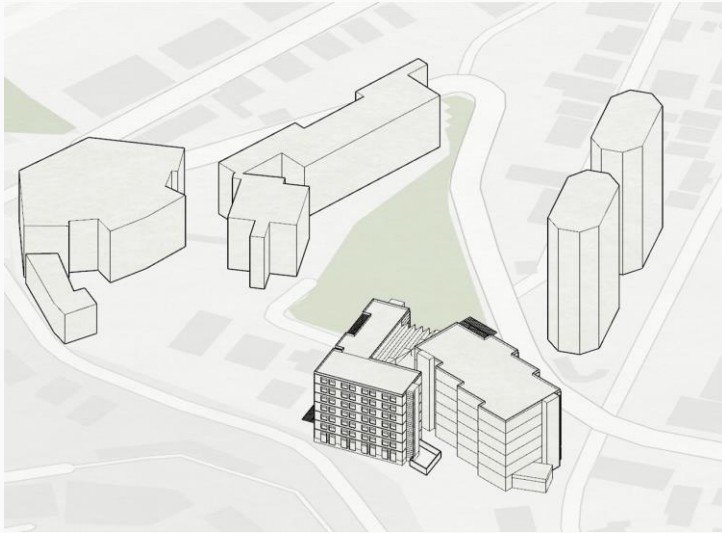

In Progress - Campus Expansion: Humanities, Arts, and Science and Engineering Buildings

Aerial drone shots showing AUA campus and the designated property outline for the Humanities, Arts, and S&E Buildings

Preliminary Sketches of the New Buildings

AUA Media Lab: Promoting Civil Discourse in Armenia

AUA Media Lab - Promoting Civil Discourse in Armenia

The goal of AUA's Media Lab project is to establish an inclusive multimedia facility that provides equal access to quality journalism. The Lab will create a space and structure for advancing media literacy, both among enrolled degree students at AUA and the public. The construction will start in Feb 2024, the Lab is due to open by the end of the year.
